### Keystone Attachments Add Years to Life of Home Furnishings

Weekly use of Keystone attachments on upholstered furniture and drapes will double their life and keep them attractive.

Used occasionally in your car the attachments will greatly prolong the beauty of its interior.

Keystone attachments are easy to use and highly effective. They easily double the usefulness of your Keystone in keeping your home immaculate.

*"Your Idea of a Good Cleaner"*

*The Auto-Valet Kit, shown above, includes everything needed to do a thorough job of cleaning closed car interiors without dust or fuss. Every part is carefully constructed of the best materials, for long, trouble-free service.*

## A Complete Outfit

THE Auto-Valet is supplied complete in every detail, to do a complete job of auto-interior cleaning. All you need in addition is the electric current. From start to finish only the very finest materials are used, and the workmanship is such that Auto-Valet carries a two-year guarantee against mechanical or electrical defects.

The motor is guarded by an air-cooling device from any danger of over-heating even when operated continuously for long periods. Lubrication is automatic. Bronze bearings insure long life and continued satisfactory service.

The Auto-Valet outfit includes:

- Auto-Valet Electric Vacuum Cleaner Unit with dust bag.
- Twenty-foot connector cord (rubber covered).
- Six-foot length flexible hose.
- Upholstery Brush.
- Upholstery Nozzle (aluminum).
- Utility coupling tube (Japanned steel).
- Tufting Tool (Japanned steel).
- Lifter Grip.
- Shoulder Strap (heavy khaki web).
- Blower Connector.

## See It Demonstrated

To really appreciate what a boon the Auto-Valet actually is, you must see it in action. If you will write or phone the address on the back of this booklet, a demonstrator will call and clean your car with an Auto-Valet, without cost or obligation to you. You'll be agreeably surprised, too, at the Auto-Valet's moderate cost.
