

# KIRBY HOME RENOVATION SYSTEM

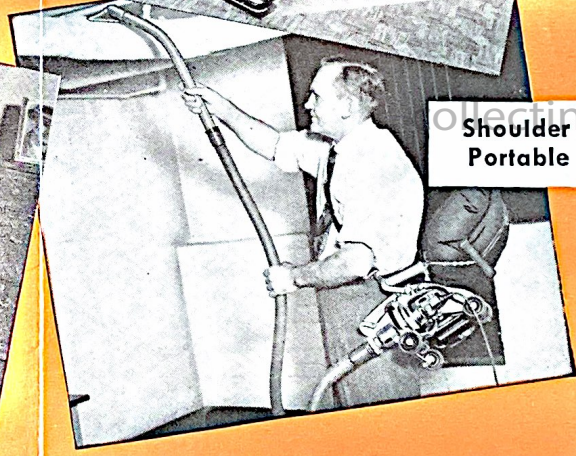

**Moth and Insect Prevention**

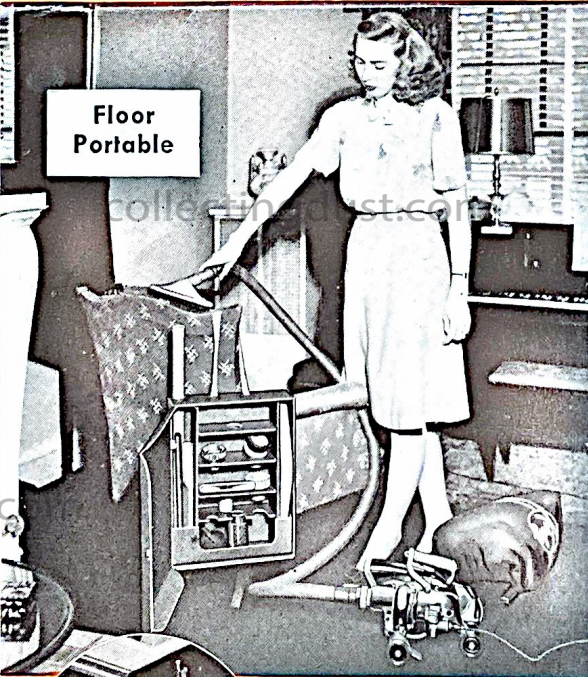

**Duster and Buffer**

**Hand Portable**

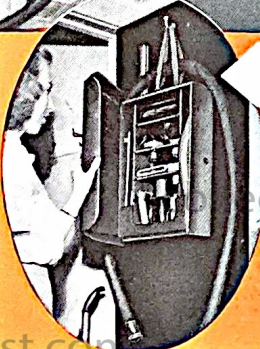

**Shoulder Portable**

**Floor Portable**

## Kirby Features

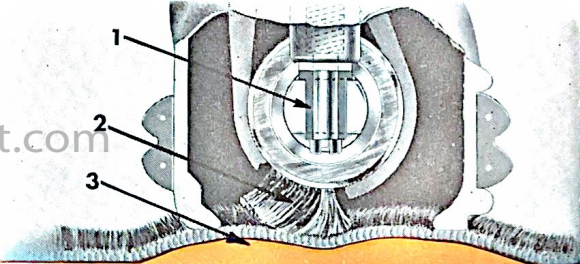

- ★ SANI EM-TOR, does away with messy bag emptying.
- ★ TOE-TOUCH CONTROL, adjusts the rug-cleaner nozzle to the right height for efficient cleaning.
- ★ SAFETY-SWITCH, eliminates danger from moving parts.
- ★ DETACHABLE CORD, eliminates cord troubles.
- ★ ADJUSTABLE FLOODLIGHT, used to spotlight dirt in dark corners or for more general illumination.
- ★ INDESTRUCTIBLE START-STOP SWITCH, does away with switch trouble.
- ★ FLEXIBILITY AND ADAPTABILITY of the various units to accomplish all home renovation tasks.

### EASY TO STORE! READY AT HAND! KIRBY KABINET

...handily convenient in the carrying of tools about the home. The convenient arrangement of tool shelves and slots further aid in making available the right tool at the right time. When through cleaning, close the door of the cabinet and hang out-of-the-way on the inside of a closet door. This unique cabinet makes the entire array of Kirby Units more usable.

★ Exclusively "Kirby"

**Triple-Cushioned VIBRATION CLEANING ACTION:**

**TOE-TOUCH CONTROL**  
A touch of the toe makes the height of the nozzle just right for each carpet.

*Important in the cleaning of rugs!*

1. Rubber sleeve cushion.
2. Cushioning resilient bristles.
3. Air cushions under rug.
