OPEN THE DOOR TO YOUR SCOTT & FETZER REPRESENTATIVE

HE BRINGS A VALUABLE MESSAGE ON HOUSEHOLD ECONOMY AND HOME SANITATION. IN FIVE MINUTES HE WILL DEMONSTRATE HOW TO SAVE YEARS OF TROUBLE AND NEEDLESS EXPENSE.

There is a new way to moth-proof and renovate clothing and upholstered furniture—a new way to clean and sanitize blankets, pillows and mattresses—a new way to rid your home of germs and dirt. It is done quickly and safely with air—the rotation of air or chlorine gas, through any fabric by a wonderful new dry cleaning system. This new dry cleaning system has already been adopted by thousands of housewives in the United States. It pays for itself

in a short time by savings made on cleaning bills and labor. It is being demonstrated in this city by Sanitation experts. If one chances to call at your home give him the courtesy of a five minute interview and you'll learn how to save years of trouble and needless expense. Demonstration may be arranged by phoning or writing the office noted below. Your asking for a demonstration will in no way obligate you.
