

Make your selection this week if possible and thus be assured of the widest possible choice. Very moderate prices, with the privilege of liberal terms or a 5% discount for cash, as you elect.

Gas Domes and Semi-Indirect Fixtures

AS A crowning touch to a well-furnished room, a Dining Room Dome or Semi-Indirect Gas Bowl makes a gift of which many a wife or mother would be proud.

Early consideration is urged of our various designs before the full Christmas demand limits your selection. Payments may be made monthly with your gas bill if desired. 5 per cent discount for cash.

"1900" Cataract Washer

IF YOU'RE planning to do the sane, sensible thing this Christmas by giving her an Electric Washer, see the "1900" CATARACT WASHER we feature with a gas-burning, water-heating attachment which saves carrying the water to the machine.

It Saves Labor It Saves Clothes
It Saves Worry It Saves Money
It Saves Time

ONE MILLION WOMEN have selected the "1900" CATARACT WASHER to displace the rub, rub, destructive method of laundering, and unsatisfactory laundresses.

With the Cataract she will find time for the pleasant things that make home more comfortable. Then consider her health. How much is that worth to you!

The "Vacuette" Cleaner

A Non-Electric Vacuum Sweeper to Lighten Her Housework

STRONG, POWERFUL SUCTION

Not an Electric

REGISTERED BY
THE AMERICAN GAS ASSOCIATION
PHILADELPHIA

NO plugs, wires, switches or electric current is needed for the "VACUETTE" Suction Sweeper — now in use in numerous homes here in Washington.

The Vacuette has the convenience of an old-fashioned carpet sweeper, yet it has the efficiency of the highest priced electric cleaner. A welcome gift, certain to please.

Small Cash Payment, Balance in Easy Monthly Installments

APPROVED APPLIANCES. No gas appliances are offered for sale by this company until they have been approved by the American Gas Association. To merit this approval, all appliances must comply with certain standards of Safety, Durability and Efficiency. SAFETY is the primary requirement. The purpose of this is to insure our customers against the use of equipment of faulty design and construction, and to assure them of satisfactory, long-continued service through the use of appliances that are SAFE, Efficient and Durable.
