You can spend hours, and you are welcome to do so, if you will, in becoming acquainted with these new things in women's wear, yes, and be interested every minute you spend in the departments.

From fashion centers of foreign and American originators, come the garments that will be exhibited for your pleasure here tomorrow.

Coats, \$75.00 to \$150.00.

You will carry from the store pleasing remembrances of these garments, not one of them will you see exhibited elsewhere, if that counts, and it does with many.

There are coats of many kinds, imported and fine American cloth, and as to the models, they're quite beyond description, haven't the space in which to tell of them in detail.

Some of the coats are of a plainness that appeals to you of quiet taste, then there are coats, moderately to lavishly trimmed, with Squirrel, Beaver, Fox, or Mole; straight line garments, or the fuller, gracefully hanging cuts.

Come in many colors, these \$75.00 to \$150.00 coats. There are the new brown shades, and the soft toned gray fabrics, then the tan-brown shades, and blues, Autumn foliage shades and so on.

Other Dressy Coats, American made, and we are proud of them, \$20 to \$45.00.

The Styles Show Silk Dresses, \$37.50 to \$85.00.

Here's a study that will prove interesting to you, so much so, that you will wonder why you should attempt to have a dress made to your order.

The Dresses are Silk Crepes, Crepe Back Satins, Roshanna Crepes, Jacquard and Frosted Silks, but why enumerate? Accept our invitation to come and see.

There are the draple like effects favoring the Greek models, with flowing sleeves and straight out skirts. Then there are the Spanish like slender types, old Venice and other carefully copied models.

Your time will be well spent in a visit to these Style Show Dresses tomorrow.

Then Sport Model Suits, \$12.50 to \$30.00.

Here again Model America is responsible.

And here again we are pleased to introduce these Suits, that express an originality that will surely attract you.
